# Core Domain Charts

Map out your domain as a portfolio of capabilities and anticipate
how they may change over time. Place a special focus on
identifying the core domains, the key areas for business growth.
Also show how your architecture aligns with our teams.

Notation

- Sub-domain (current position)
- Sub-domain (future position)
- Movement over time
- Big-bet sub-domain
- Platform sub-domain
- Outsourced/Purchased sub-domain

Team Topologies

- N — Team size
